

Sharp Minds Psychology

Job Ad: Telehealth Psychologists

Are you a passionate psychologist looking to make a meaningful impact in people's lives while embracing the future of mental healthcare? We have an exciting opportunity for you!

At our Practice, we believe in the importance of inclusion, valuing and celebrating the diversity of all individuals, including those who identify as Neurodiverse, Transgender, and a part of the LGBTQIA+ community. If you're part of the queer community or identify as an ally, we want you!

We are currently seeking kind, inclusive, and dedicated psychologists to join our team and provide top-quality care through telehealth.

Position: Contract work- Telehealth Psychologist

Responsibilities:

- Conduct remote psychological assessments, evaluations, and therapy sessions via our secure telehealth platform.
- Provide evidence-based treatments for a wide range of mental health conditions, including anxiety, depression, trauma, and relationship issues.
- Develop personalised treatment plans tailored to individual client needs.
- Utilize various therapeutic modalities and interventions to support clients in achieving their mental health goals.
- Maintain accurate and confidential electronic records of client interactions and treatment progress.
- Manage calendar and client appointments each session (with the help of our admin team).
- Collaborate with a multidisciplinary team of healthcare professionals to ensure comprehensive care and coordinated treatment.

Requirements:

- Hold full AHPRA registration.
- WWCC.
- Police check.
- Current provider numbers.
- Proven experience in providing psychotherapy and counselling services.
- Knowledge in evidence-based therapeutic approaches such as cognitive-behavioural therapy.

- Strong interpersonal and communication skills to establish rapport and effectively engage with clients remotely.
- Comfortable using technology and ability to navigate telehealth platforms and electronic health records (EHR) systems.
- Commitment to maintaining confidentiality and adhering to ethical guidelines in clinical practice.
- Availability to work flexible hours, to accommodate client schedules across different time zones.

Benefits:

- Flexible work schedule and the freedom to work from anywhere with a stable internet connection.
- Access to a diverse client base and the ability to make a positive impact in people's lives.
- Professional support and collaboration with a team of experienced clinicians.
- Ongoing peer consultation to enhance your clinical skills.
- State-of-the-art telehealth platform and administrative support to streamline your practice.

Join our dynamic team of telehealth psychologists and be at the forefront of transforming mental healthcare through technology. Together, let's break down barriers and provide quality psychological services to individuals in need, wherever they may be.

How to Apply: To apply for the position of Telehealth Psychologist, please submit your resume, a cover letter highlighting your relevant experience, and any applicable licenses or certifications. Additionally, include a brief statement on how you envision leveraging telehealth to improve access to mental healthcare.

We thank all applicants for their interest; however, only those selected for an interview will be contacted via email (be sure to check your spam).
